## PRESENTING A CONCEPT OF SMART AND SECURE LIVING

---

First of its kind, AeroCity is host to a fully integrated network by a reputed internet service provider giving the residents access to a free Wi-Fi system throughout the township along with unrestricted high-speed broadband cable access at every plot.

Furthermore, AeroCity gives a new definition to Secure Living by providing a multi-tiered round-the-clock security system with CCTVs across the township, a controlled access to the complex via a separate entry lane for residents using RFID tags and guests using intercom for verification.
